F OTHER DIRECT COSTS:

- **Student Stipends:** The PI is requesting a stipend of **\$14,400** to provide support for three undergraduate research assistants. The students will be paid approximately **\$12 per hour** for full-time effort during the summer, and may continue to work on this project during the academic year.

G INDIRECT COSTS:

- Facilities and Administrative costs will be reimbursed at less than the University of Washington’s current Indirect Cost Rate negotiated with DHHS on 11/16/06. An administrative allowance, limited to 25% of the participant support stipend amount (Line F.1 on the proposal budget) is allowed for NSF REU awards as partial reimbursement of indirect costs, per the proposal guidelines.

Total administrative fee cost: **\$3,600.**
